Pastor's  
Corner

In our first reading from the Acts of the Apostles, on this 4th Sunday of Easter, Peter is being questioned about the good deed that he has done by healing a crippled man.

In light of this reading, I want to discuss the good deeds that have been going on for the last several weeks with our church floor renovation. I'm happy to report that not only are we making great progress on beautifying our floor, but more importantly, we are repairing and fixing the 113-year-old structure that has been slowly developing anomalies over the last several decades. I am so grateful to our four general contractors and the tireless cadre of others who are helping to not only beautify but also remedy many of the problems that they discovered. As I (Monday) we have the nagging problems in they are thankfully being fixed! Praise be to Jesus

It's my personal belief that the good news of the gospel is a restoring and healing message. And when we we put it into bring forth restoration. This is why during the Risen! Truly message of take that action, the both physical and healing to we proclaim Easter Season He is Risen!

In closing, I want to give a thankful shout-out to our awesome team of contractors: Garry Lavoie, Jay Lennon, Ben Tallarigo, and Sean Magee. And last, but not least, a special thank you to Coach Torre Mercogliano, who is our acting project manager. Guys you are crushing it! We are so grateful to all of you.

Religious Education classes are coming to an end for this year.

The First Communion class and 3rd, 4th and 5th grades have been busy every week. The Confirmation class will know and understand the Apostles Creed and present their Patron Saint reports at their last class.

If you want to register a new student for next year, please call the office 530-583-4409 and leave your name and telephone number, student name, age and next year's grade. A new Confirmation class will begin in September 2025 as it is a two-year program.
