

# WE ARE IN NEED OF MORE LECTORS

Lectors proclaim the Word of God during Mass, a role that involves reading scripture, leading the Prayers of the Faithful, and often making announcements.

This ministry requires participants to have a deep respect for scripture. You will be given a workbook for lectors, which will help you understand the readings for each weekend Mass.

Some lectors have indicated:

“Proclaiming the Word of God has given me a better understanding of the readings and Gospel”.

“I feel like my faith has become deeper, since I’ve been lecturing.”
